SPEECH OF THE WEEK

GEN. DOUGLAS MACARTHUR: THAYER AWARD ADDRESS

Authenticated Text, Audio, Video Excerpt

"Duty, Honor, Country": Those three hallowed words reverently dictate what you **OUGHT** to be, what you **CAN** be, what you **WILL** be. They are your rallying points: to build courage when courage seems to fail; to regain faith when there seems to be little cause for faith; to create hope when hope becomes forlorn."

"They build your basic character. They mold you for your future roles as the custodians of the nation's defense. They make you **STRONG** enough to know when you are weak, and **BRAVE** enough to face yourself when you are afraid. They teach you to be proud and unbending in honest failure, but humble and gentle in success."

"They give you a temper of the will, a quality of the imagination, a vigor of the emotions...they teach you in this way to be an **OFFICER** and a **GENTLEMAN**."
